Dear Customer,

A reduction in mortgage interest supplement payments was announced in the 2009 Supplementary Budget.

The minimum contribution which you must pay towards your weekly mortgage interest payment is being increased by €6, from €18 to €24 a week, from 1 June 2009. The contribution of €24 a week is more in line with the minimum rent typically paid to local authorities in various parts of the country by their tenants.

Your existing weekly/monthly payment is being automatically reduced as follows:

Existing payment per our computer records	€
Less: increase in minimum contribution to mortgage interest payment	€
<b>Your new payment from 1 June 2009 will be</b>	<b>€</b>

Further information on this automatic reduction in your payment is available on the Department's website [www.welfare.ie](http://www.welfare.ie).

If there has been any other change in your circumstances, you should discuss this with your local community welfare officer in the normal way.

Yours sincerely
