## Pay-Related Social Insurance (PRSI)

The rates of PRSI given in the following tables are applicable from **1 January to 31 December 2010** and include the Social Insurance Contribution, which applies to income in 2010 up to €75,036, and the Health Contribution (4%). **A health contribution of 5% applies to income over €1,443 a week, (equivalent to €2,886 a fortnight and to €6,253 a month).**

The employee's portion of the Social Insurance Contribution is paid on reckonable pay up to a ceiling of €75,036 in 2010. The employer's portion continues to be paid on all the reckonable earnings of each employee. The employee pays the Health Contribution on **all** reckonable earnings under Subclasses A1, J1, B1, C1, D1, H1, K1 and S1.

### PRSI exemption on low earnings

Employees covered under Classes A, B, C, D, E and H with reckonable weekly pay of €352 or less are **exempt** from paying PRSI for that week. However, the employer must pay his or her share of PRSI as normal. **This will not affect employees' entitlement to benefits and pensions.** Employees whose weekly pay fluctuates above and below the €352 exemption limit are **not** entitled to an annual refund.

### Employee's PRSI-Free Allowance

The PRSI-Free Allowance remains at €127 per week for employees in Classes A and H with weekly earnings of **more than** €352 and at €26 per week for **all** employees in Classes B, C and D.

This allowance does not apply to the Health Contribution nor to the employer's share of PRSI. The allowance only applies for weeks of insurable employment in which PRSI is paid. **Remember** that this allowance does not affect the gross reckonable weekly pay thresholds in deciding the appropriate contribution subclass.

### Recipients of the Widow's or Widower's Pension or the One-Parent Family Payment

Men and women receiving a Social Welfare Widow's or Widower's Pension, a Widow's or Widower's Pension acquired under the social security legislation of another country covered by EC Regulations, a Deserted Wife's Benefit or Allowance or the One-Parent Family Payment do not have to pay any Health Contribution. **Medical card holders and everyone aged 70 or over** are also exempt.

### Contributions for self-employed people

Self-employed people with a total income of €3,174 or more in the 2010 tax year pay Class S social insurance contributions. The contributions are paid on a person's gross income less capital allowances and allowable superannuation.

The arrangements for paying self-employed contributions are described on the next page.

- Those who pay their tax directly to the Collector-General will pay their Social Insurance Contribution and Health Contribution with their income tax. They will have to pay a Social Insurance Contribution of 3% of **all** income, or €253, whichever is greater, as well as the Health Contribution, where applicable.
- Those paying PAYE tax will have their contributions deducted from their income by their employers.
- Those who have been told by an Inspector of Taxes that they need not make a return of income must pay a flat rate contribution of €157 to the Department of Social and Family Affairs.
- Those whose main income comes from share fishing and who have been classified as self-employed may opt to pay an extra contribution for certain benefits under Class P. In addition to the Class S contribution, they will pay a contribution of 4% of income over the PRSI-Free Allowance of €2,500 per annum up to a ceiling of €75,036, or pay €200, whichever is the greater.

### Voluntary contributions

If you are no longer covered by compulsory PRSI, either as an employee or as a self-employed person, and you are under age 66, you may opt to become insured on a voluntary basis, so long as you satisfy certain conditions. The amount of a Voluntary Contribution in any contribution year is calculated as a percentage of your reckonable income, subject to a minimum and a maximum payment. There are three rates of voluntary contributions:

High rate:	Low rate:	Special rate:	Benefits covered:
✓			<b>State Pension (Transition)</b>
✓		✓	<b>State Pension (Contributory)</b>
✓	✓	✓	<b>Widow's and Widower's (Contributory) Pension</b>
✓	✓	✓	<b>Guardian's Payment (Contributory)</b>
✓	✓	✓	<b>Bereavement Grant</b>

**High rate:** 6.6% for people who last paid PRSI at Classes A, E and H  
**Low rate:** 2.6% for people who last paid PRSI at Classes B, C and D  
**Special rate:** Flat rate of €253 for people who last paid PRSI at Class S.

- a social welfare payment which includes an increase for the 18 year old child,  
or
- a family income supplement payment which includes payment for that child.

This special payment is also paid for any week (or part of a week) during which the child in question was receiving a Disability Allowance payment in his/her own right.

For twins, the special payment is paid at one and a half times the normal weekly rate (€22.50 for each twin) and at twice the normal weekly rate (€30 for each child) in other cases of multiple births.

Only one such special payment is payable for the same child.
