PRSA Take Up Steady – Mary Coughlan Minister For Social And Family Affairs

Mary Coughlan Minister for Social and Family Affairs today welcomed the latest figures from the Pensions Board indicating a steady increase in the take up of personal Retirement Savings Accounts (PRSAs).

“I am pleased to note that over 19,000 PRSAs have been taken out in little over six months with an asset value of €41million. I am encouraged by this early take up, and will continue to monitor the situation and will be supporting a further information campaign later this year,” said Minister Coughlan.
