The Process of Securing a CE Childcare place

**New Entrants**

Following the referral process, when a Sponsor offers a position to a successful applicant, the Sponsor advises applicant of the CE Childcare (CEC) programme and gives the applicant a list of Childcare Providers.

Applicant contacts Childcare Provider to book a place. (Applicant uses letter of offer of a CE Place to do this).

Once the applicant starts on CE, the Sponsor will give the applicant a letter stating that they are participating on CE and the start date and end date of the programme.

The applicant brings this to the Childcare Provider to confirm take-up of the CE childcare place.

On taking up the CE childcare place the Sponsor will advise the DSP Officer and record the allocation of CE childcare places on the Scheme using:
1. Participant’s name
2. Child’s name.
